# Welcome to the Spring Recital!

## What to expect

Concerts play a valuable part in the learning process and provide an opportunity for students to display their growth while under pressure. These performances are representative of what the students have learned and are currently mastering. Our hope is for you to enjoy the sounds created by the students and learn more about what happens in the classroom. Thank you for helping our students grow into better musicians and, ultimately, better people.

## Other news

All instrumental programs will continue until the week of May 22nd (the last day will be your normal band/piano/ukulele day on the week of May 22nd). If you would like more details, please reach out to us.

## Pre-Registration
